4.2 Player Code of Conduct and Offences

- 4.2.1 The WAFCC will adopt from time to time and modify as appropriate to its Competitions the Code of Conduct published by Cricket Australia and the International Cricket Council (ICC), which contains details of undesirable conduct. The WAFCC Code of Conduct is set out in clause 4.2.3.
- 4.2.2 All players, umpires and officials competing in WAFCC Competitions, or in matches organised by the WAFCC are bound by and required to comply with the WAFCC Code of Conduct published in these Rules.
- 4.2.3 The following offences are adopted from the Cricket Australia Code of Conduct and for illustrations of the application of each, reference should be made to the guidelines that accompany the Cricket Australia Code of Conduct (reproduced in the boxed section below each Offence below). The provisions of the Rule itself take precedence over any guidelines.

LEVEL 1 OFFENCES

- 1.1 Abuse cricket equipment or clothing, ground equipment or fixtures and fittings.

Includes actions outside the course of normal cricket actions such as hitting or kicking the wickets and actions which intentionally or negligently result in damage to the advertising boards, boundary markers or any part of or the contents or any building or structure at the ground.

- 1.2 Show dissent at an umpire's decision.

Includes excessive, obvious disappointment with an umpire's decision or with an umpire making the decision and obvious delay in resuming play or leaving the wicket.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpires' performance in their Captain's report.

- 1.3 Use language that is obscene, offensive or insulting and/or the making of an obscene gesture.

This includes swearing and offensive gestures which are not directed at another person such as swearing in frustration at one's own poor play or fortune.

The extent to which such behaviour is likely to give offence shall be taken into account when assessing the seriousness of the breach.

- 1.4 Engaging in excessive or unnecessary appealing.

Excessive shall mean repeated appealing when the bowler/fielder knows the batsman is not out, with the intention of placing the umpire under pressure. It is not intended to prevent loud or enthusiastic appealing. However, the practice of celebrating or assuming a dismissal before the decision has been given may also come within this Rule.

- 1.5 Point or gesture towards the pavilion in an aggressive manner upon the dismissal of a batsman.

Includes charging or running up to the batsman and "getting in his [or her] face".

- 1.6 Failure by a team to ensure that the condition of a ball is not changed in breach of Law 42.3.

LEVEL 2 OFFENCES

- 2.1 Show serious dissent at an umpire's decision.

Dissent should be classified as serious where the dissent is expressed by a specific action such as the shaking of the head, snatching cap from the umpire, pointing at pad or bat, other displays of anger or abusive language directed at the umpire or excessive delay in resuming play or leaving the crease.

WAFCC GENERAL RULES

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpire's performance in their Captain's report.

2.2 Engage in inappropriate and deliberate physical contact with other players or officials.

Without limitation, players will breach this Rule if they deliberately walk or run into or shoulder another player, official or match official.

2.3 Charge or advance towards the umpire in an aggressive manner when appealing.

2.4 Deliberately and maliciously distract or obstruct another player or official on the field of play.

This is not intended to replace Law 42(4) and (5) of the Laws of Cricket.

Without limitation, players will breach this Rule if they deliberately attempt to distract a striker by words or gestures or deliberately shepherd a batsman while running or attempting to run between wickets.

2.5 Throw the ball at or near a player or official in an inappropriate and/or dangerous manner.

This Rule will not prohibit a fielder or bowler from returning the ball to the stumps in the normal fashion.

2.6 Use language that is obscene, offensive or of a generally insulting nature to another player, official or spectator.

This is language or gestures which are directed at another person. See comments under Rule 1.3 above in relation to the seriousness of the breach.

2.7 Change the condition of the ball in breach of law 42.3.

Prohibited behaviour includes picking the seam or deliberately throwing the ball into the ground for the purpose of roughening it up and the application of moisture to the ball other than perspiration and saliva.

2.8 Without limiting Rule 8, attempt to manipulate a Match in regard to the result, net run rate, bonus points or otherwise. The captain of any team guilty of such conduct shall be held responsible.

Prohibited conduct under this Rule will include incidents where a team bats in such a way as to either adversely affect its own, or improve its opponent's performance points or net run rate.

LEVEL 3 OFFENCES

3.1 Intimidate or attempt to intimidate and umpire or referee whether by language or conduct.

Includes appealing in an aggressive or threatening manner.

3.2 Threaten to assault another player, Team official or spectator.

3.3 Use language or gestures that offend, insult, humiliate, threaten, disparage or vilify another person on the basis of that person's race, religion, colour, descent, sexuality or national or ethnic origin.

LEVEL 4 OFFENCES

4.1 Threaten to assault an umpire or referee.

4.2 Physically assault another player, umpire, referee, official or spectator.

4.3 Engage in any act of violence on the field of play.

4.4 Use language or gestures that seriously offends, insults, humiliates, intimidates, threatens, disparages, or vilifies another person on the basis of that person's race, religion, colour, descent, sexuality or national or ethnic origin.

LAWS OF CRICKET AND 'SPIRIT OF THE GAME'

5. Players must obey the 'Laws of Cricket' and play within the spirit of the game.

This is meant as a general Rule to deal with situations where the facts of, or gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

Conduct which will be prohibited under the Rule includes time wasting and any other conduct which is considered "unfair play" under Law 42 of the Laws of Cricket.

This Rule is not intended to punish unintentional breaches of the Laws of Cricket.

Reference may be made to any statement or explanation of the Spirit of Cricket published in conjunction with the Laws of Cricket.

Nothing in this Rule or the Code alters the onus on the captain to ensure that the Spirit of the Game is adhered to as stated and defined in the preamble to the Laws of Cricket.

UNBECOMING BEHAVIOUR

6. Without limiting any other rule, players and officials must not at any time in a cricket related situation engage in behaviour unbecoming to a player or official that could bring them or the game of cricket into disrepute or be harmful to the interests of cricket.

This is also meant as a general Rule to deal with situations where the facts or, or the gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

It is intended to include serious or repeated criminal conduct, public acts of misconduct, unruly public behaviour and cheating during play.

4.3 Recommended Penalties for Code of Conduct Breaches

4.3.1 In respect to the Code of Conduct, the following are the recommended penalties for Level 1 to 4 offences:

4.4.1 Under these Rules, a contravention of the Code of Conduct is an offence.

4.4.2 Umpires must warn a Club, player or official for a contravention of the Code of Conduct and report the matter to the other umpire and the player's team captain.

4.4.3 Umpires must notify a Club, player or official of any intention to lodge a Code of Conduct complaint, and the nature of the offence committed, within 60 minutes after stumps have been drawn on the day on which the offence is alleged to have been committed.

4.4.4 Umpires must lodge Code of Conduct complaints with the WAFCC no later than 12 noon on Monday following completion of a match in which the alleged offence occurred. Failure by an umpire to comply with this clause does not invalidate the complaint made.

4.4.5 Any player reported by an Umpire must have the complaint referred to the Disciplinary Committee who shall:

WAFCC GENERAL RULES

- (a) Consider the complaint and the level of offence, if any, for which the Club, player or official is alleged to have committed; and
 - (b) Offer the Club, player or official a penalty, open for acceptance for a definite period, in lieu of referring the matter to the Tribunal; or
 - (c) Refer the matter to the Tribunal in accordance with clause 4.11.
- 4.4.6 A Code of Conduct complaint shall be referred to the Tribunal in accordance with clause 4.10 unless the player, Club or official accepts a lesser penalty from the Disciplinary Committee within the time specified in any offer made pursuant to clause 4.4.5(b).
- 4.4.7 Where an umpire has occasion to speak to a player about their behaviour but does not consider the player's behaviour to be so serious as to warrant a report to the Competitions Manager, the umpire shall caution the player.
- (a) An umpire shall note a caution on the Umpire's Match Report and shall lodge a record of the caution with the Competitions Manager.
 - (b) The umpire shall notify the cautioned player via the captain or an official of the player's club of the caution as soon as it is practical on the day which the caution occurs.
- 4.4.8 Should a player receive three cautions (3) over any two season duration, the player shall receive an automatic one match suspension. Any subsequent caution within the same season will result in the player being required to attend a tribunal hearing.
- 4.4.9 Any player in any grade who has been found guilty of a Code of Conduct Offence shall be ineligible for a player-of-the-season award in any grade. In the event that a suspension arising from a WAFCC match or final series match extends into the finals series or ensuing season or seasons the player shall not be precluded from winning an award in the ensuing season or seasons.

4.5 Use of Social Media

- 4.5.1 Any player or official who is found to have engaged in, or is suspected of engaging in the unacceptable use of Facebook, Twitter, YouTube or any other social networking site, including blogs, may be dealt with by the WAFCC as it deems fit.

 - (c) The unfitness of a ground or pitch for play on any match day or part of a match day where the unfitness of the ground or pitch is alleged to have been caused either wholly or in part by an act or omission of the home club, or circumstances within the control of the home club.
- 4.6.2 A protest under this clause must be notified in writing to the WAFCC within 3 days of the match to which the protest relates, comply with clause 4.6.3 and be signed by the President of the protesting Club.
- 4.6.3 A Protest notice must state:
- (a) The date and place of the match;
 - (b) The name and team of the opposing Club;
 - (c) The grounds of the protest (with reference to any applicable General Rules or Laws of Cricket);
 - (d) A summary of the facts the protesting club will rely upon to support its protest; and

- 4.6.4 Failure to comply with clause 4.6.3 does not invalidate the notice, subject to the Tribunal being satisfied the protest has merit.
- 4.6.5 Upon receiving a protest under this clause, the WAFCC must refer the matter to the Tribunal, to be heard and determined by the Tribunal in accordance with clause 4.10 and applicable procedures under this clause 4.
- 4.6.6 The WAFCC may independently refer a matter to the Tribunal as Complainant if it is satisfied that there has been conduct of the kind referred to in clause 4.6.1(b), and shall provide a Protest notice in accordance with clause 4.6.3.

4.7 Orders that may be made after Protests

- 4.7.1 If a Protest is upheld, the Tribunal may make one of the following orders:
- (a) the result of the protested match be varied (but not in the case of a protest related to the unfitness or the ground or pitch for play);
 - (b) the protested match be replayed; or
 - (c) the protested match be forfeited by the respondent Club.
- 4.7.2 If the Tribunal orders the protested match be forfeited by the respondent Club, then the Tribunal may also:
- (a) cancel or vary any points previously awarded with regard to that match;
 - (b) award points appropriate to the altered result of the match according to the scale of points available; and
 - (c) impose a fine upon the respondent Club.
- 4.7.3 If a Protest relating to the unfitness of a ground or pitch for play is dismissed, because the unfitness of the pitch or ground relates to a matter outside the control of the home team or its curator, the Tribunal must still order:
- (a) the result of the match stand; or
 - (b) the match be replayed at a place, date and time to be notified by WAFCC within 3 days of the Tribunal's determination.

4.8 Tribunal Jurisdiction

- 4.8.1 The Tribunal will hear any matter referred to it by the WAFCC in relation to:

A ball is fairly delivered in respect of the arm if, once the bowler's arm has reached the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that point until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing (Law 24.3).

- 5.10.2 In all WAFCC Competitions this Law is modified so that a "no-ball" will only be awarded for a breach of Law 24 if it is considered by the umpire that the bowler deliberately threw the delivery, but not because of doubt about the player's general bowling action for which the player has not received a warning under clause 5.10.3.
- 5.10.3 In the interests of the player concerned and WAFCC Competitions, it is permissible during a match for the umpire to warn the bowler, captain or coach that he considers the bowler's action to be unfair and if he continues to bowl his action may qualify for a "no-ball" call under Law 24, note it on the match report and advise the WAFCC Umpiring Manager.
